2022 COLLINA DALLA VALLE NAPA VALLEY RED WINE

81% CABERNET SAUVIGNON, 19% CABERNET FRANC

The 2022 growing season was akin to a symphonic overture with a dramatic crescendo at the finale. The winter of 2021-2022 brought an end to a drought period and we welcomed an abundance of rain to revitalize the soil and the vines. Spring brought moderately warm temperatures and an early budbreak, followed by a warm but temperate summer. The crescendo arrived in the beginning of September with an intense heatwave that accelerated our harvest and tested the skills and capabilities of our talented team. The 2022 vintage wines beautifully exemplify these talents.

The 2022 Collina Dalla Valle is a study of the fresher and more approachable portions of the estate vineyard. A Cabernet Sauvignon dominant vintage for this wine comprising of 81% of the blend, with 19% Cabernet Franc contributing to the harmony of the wine. Notes of satsuma plums, strawberries and cream interplay with a crimson red brightness and an estate signature seamless tannin profile. Savory herbs come through on the palate that add lift and complexity into the wine through the finish. This wine is ready to be savored today, yet those with patience will be rewarded over time.
